WHEREAS, as a condition to such request, the Lenders require that the Debtor execute and deliver this Security Agreement Amendment which, among other things, adds certain units of Rolling Stock to the Collateral and removes certain other units of Rolling Stock from the Collateral;

NOW, THEREFORE, in consideration of the premises, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Debtor and the Agent agree as follows:

1. Definitions.

Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to such terms in the Security Agreement.

2. Amendment.

Effective as of the date hereof and subject to the conditions set forth herein, Exhibit A to the Security Agreement is hereby deleted in its entirety and replaced with Exhibit A attached hereto. ✓

3. Acknowledgment.

The Debtor reaffirms and acknowledges that this Security Agreement Amendment amends the Security Agreement, and the Debtor further confirms and reaffirms the continuing security interest granted in the Collateral subject to Section 7(a) of the Security Agreement. All obligations secured pursuant to the Security Agreement shall continue to be outstanding under the Notes.

4. Representations and Warranties.

To induce the Lenders to enter into the Credit Agreement Amendment, the Debtor hereby makes the following representations and warranties to the Agent and the Lenders, each of which shall survive the execution and delivery of this Security Agreement

Amendment, and shall continue to be true until termination hereof:

- a. The Debtor is a corporation duly organized and existing under the laws of the State of Delaware and is qualified to do business in every jurisdiction where the nature of its business requires it to be so qualified and where failure so to qualify might materially affect its business or assets, and has all requisite power and authority, corporate and otherwise, to conduct its business, to own its property, and to execute, deliver and perform all of its obligations under the Security Agreement (as amended hereby), the Guaranty and the Credit Agreement (as amended by the Credit Agreement Amendment).
- b. The execution, delivery and performance of this Security Agreement Amendment and the creation of the liens and security interests provided for hereunder are within the Debtor's corporate power, have been duly authorized by all necessary or proper corporate action, including the consent of the Debtor's shareholders, if required, are not in contravention of any provision of law or of any agreement or other instrument (including without limitation any lease) by which the Debtor is bound or of Debtor's Certificate of Incorporation or By-Laws, and do not require the consent or approval of any governmental body, agency, authority or other person which has not been obtained and a copy thereof furnished to the Agent. This Security Agreement Amendment constitutes the Debtor's valid and binding obligation, enforceable against the Debtor in accordance with its terms.
- c. The Debtor is the legal and equitable owner of, and has the authority to grant a security interest in, the Collateral and holds the same free and clear of all liens, charges, encumbrances and security interests and the Debtor has good right and legal authority to grant a security interest in, the Collateral in the manner hereby done and will defend its title thereto against the claims of all persons whomsoever. None of the Leases contain any term or provision that prohibits granting a security interest therein to the Agent.
- d. The Debtor's principal place of business and

principal executive office are located at the address set forth after the Debtor's name on the signature page of this Security Agreement Amendment. All Rolling Stock is and will be used, located and kept solely within the United States, except for temporary use in Canada and Mexico.

- e. The Debtor has concurrently with delivery of this Security Agreement Amendment provided to the Agent a letter listing all lessees of each item of Rolling Stock described on Exhibit A hereto and will advise the Agent on an annual basis (or more often, as the Agent may reasonably request) in writing of any new lessees of any Rolling Stock and any new information relative to existing lessees of any Rolling Stock.
- f. The Debtor is in compliance with all of the terms and provisions set forth in the Security Agreement, on its part to be observed or performed, and no Default or Event of Default has occurred and is continuing.
- g. The representations and warranties set forth in Section 3 of the Security Agreement are true and correct with the same effect as though such representations and warranties had been made on the date hereof, except to the extent that such representations and warranties expressly relate to an earlier date.
- h. This Security Agreement Amendment constitutes the legal, valid and binding obligation of the Debtor, fully enforceable against the Debtor in accordance with its terms.

5. General Provisions.

- a. Section headings used herein are for convenience only and are not to affect the construction of or be taken into consideration in interpreting this Security Agreement Amendment.
- b. This Security Agreement Amendment has been negotiated, executed and delivered in and is to be performed in the State of Illinois. The validity of this Security Agreement Amendment and of all transactions provided for herein shall be governed by, interpreted and

construed under, and in accordance with, the internal laws (and not the law of conflicts) of the State of Illinois, provided, however, that the parties shall be entitled to all rights conferred by the Interstate Commerce Act, as amended by the ICC Termination Act of 1995 and as further amended from time to time, and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Security Agreement Amendment or any assignment hereof or any financing statement shall be filed, recorded or deposited.

- c. If any provision contained in this Security Agreement Amendment is in conflict with, or inconsistent with, any provision in the Credit Agreement, the provisions contained in the Credit Agreement shall govern and control.
- d. This Security Agreement Amendment may be executed by the parties in any number of separate counterparts, and by each party on separate counterparts; each counterpart shall be deemed an original instrument; and all of the counterparts taken together shall be deemed to constitute one and the same instrument.
